

Santa Fun Run!

11am Sunday 4th December, Spiceball Park, Banbury

A big **THANK YOU** to everyone who supported our second **Santa Fun Run**. The atmosphere was lovely and we've received lots of positive feedback. We hope you all enjoyed the experience as much as we did, but if you have any comments (positive or negative!) do let us know so that we can take them into account when planning for next year

We had **473** participants who registered this year and we are thrilled that sponsorship pledges on the day amounted to **£20,525**. In the current economic climate this is a fantastic sum. All profits will be used to provide the unique care and support which we are proud to offer to all who turn to us for help.

We were delighted that **Eastenders'** actress, **Jo Joyner**, agreed to announce the sum pledged and do the countdown for the Run. As you may be aware, she grew up in the Banbury area and was, therefore, keen to show her support.

We make no charge for the services provided at Katharine House and this year our costs will be over £2.5 million, around 40% of which is met by Government. Your support is, therefore, highly valued.

The photographs taken on the day by **Harry Rhodes** can be viewed on Tudor Photography's website: www.tudorphotography.co.uk/santa/. If you wish to make a purchase, please telephone **Tudor Photography** on 01295 270681. There is also a short film on YouTube, click on the link: <http://youtu.be/iRDx-4TrQwg>

Finally a big thank you to all our volunteers who helped out on the day — we couldn't have done it without you.
